know the law in Hong Kong rather than England. Before the Society could make those changes it had to be confident that students had appropriate textbooks from which to study Hong Kong law, and so it asked the members of an advisory committee on law studies, who represented institutions teaching accountancy students, to write introductory monographs.

### **Hong Kong Contracts - HKU Libraries**

Contract Law in Hong Kong is the first comprehensive textbook on this topic for more than ten years. The 16 chapters of the book cover all basic contract concepts in a reader-friendly style, which makes ample use of case illustration.

### **Contract Law in Hong Kong on JSTOR**

An agreement alone will not create a contract binding in law. A critical factor in the formation of a contract is the necessity for an intention by the parties to create legally binding obligations. Unless the intention of the parties is to constitute an agreement enforceable at law, there will be no contract.

#### **1. Law of Contracts 1.1. Definition and Forms of contracts**

Hong Kong Court of Appeal confirmed that there was no general right in common law to suspend work if payment was wrongly withheld and observed that a deliberate refusal to make an interim payment was capable of amounting to a repudiation of the contract.
