In these essays the reader will find a description of contemporary political events, finely intertwined with an exposition of a series of principles of the methodology of Rudolf Steiner's Spiritual Science; throughout this the latter significantly predominates over the former.

Initiative for Anthroposophy - spiritual science

Abstract. The aim of this essay is, firstly, to "through a text analysis" compare the curriculum of Waldorf education in Sweden (in the essay referred to as "WL") to the Swedish national curriculum "Lpo 94", to uncover possible differences and similarities between these documents, and, secondly, to present the roots and educational philosophies that these two curricula ...

CORE

This essay examines if RE in Waldorf schools is characterized by anthroposophy through looking at what kind of teaching materials are used in RE and if teachers of religion are anthroposophists. This essay is based on a qualitative method that focuses on interviews with seven teachers of religion in five different Waldorf schools in Stockholm.
