IDEOLOGY, RACISM, AND CRITICAL SOCIAL THEORY

critical theory is the establishment of a sustained critique of all social for- mations, whether cultural, economic, or political, with an eye to preventing any one form from taking control of the world in a way that is antidemocra-

Critical Social Theory: Core Tenets, Inherent Issues

Critical theory engages in a form of criticism of social formations that does not express itself as an agenda for political action. It arises precisely through the awareness of the failure of political action, even the most extreme and radical political action of revolution, to bring about the changes needed in political and social formations.

Critical Social Theory: Culture, Society and Critique

Critical theory feels associated with actual and potential social struggles of exploited and oppressed groups. It maintains a stress on the importance of a better world.

Critical Theory - Christian Fuchs

Critical social theory is a multidisciplinary knowledge base with the implicit goal of advancing the emancipatory function of knowledge. It approaches this goal by promoting the role of criticism in the search

for quality education.

Critical Social Theory and Transformative Knowledge: The

While Critical Theory is often thought of narrowly as referring to the Frankfurt School that begins with Horkheimer and Adorno and stretches to Marcuse and Habermas, any philosophical approach with similar practical aims could be called a "critical theory," including feminism, critical race theory, and some forms of post-colonial criticism.
