Cuban Political System: More Than just Castro Comparative National Systems Introduction Much of the literature about Cuban politics over the last years has focused on the speculative scenario of a post-Castro Cuba. The inevitable question not whether Castro will fall, but when Castro will fall has caught most of the attention.

### **Cuban Political System: More Than Just Castro**

Cuba is a socialist State of workers, independent and sovereign, organized with all and for the good of all, as a united, democratic republic, for the enjoyment of political freedom, social justice, individual and collective welfare, and human solidarity.
