decision support systems in pdf

decision making can be supported by computer programs. We then cover various components of DSSs and the role that they play in decision support. We will also introduce an emergent class of normative systems (i.e., DSSs based on sound theoretical principles), and in particular, decision-analytic DSSs.

Decision Support Systems - University of Pittsburgh

2 Architecture of decision support systems As shown in Figure 1, a DSS consists of two major sub -systems " human decision makers and computer systems. Interpreting a DSS as only a computer hardware and software system is a common misconception.
