LOEX Annual Conference - Breakout Sessions

In 1968, West Churchman wrote, "there is a good deal of turmoil about the manner in which our society is run. the citizen has begun to suspect that the people who make major decisions that affect our lives don't know what they are doing." [1] Churchman was writing at a time of growing concern about war, civil rights, and the environment.

Universal Design for Learning (UDL) provides the opportunity for all students to access, participate in, and progress in the general-education curriculum by reducing barriers to instruction. Learn more about how UDL offers options for how information is presented, how students respond or demonstrate their knowledge and skills, and how students are engaged in learning.

Universal Design for Learning: Meeting the Needs of All

The literacy-rich environment emphasizes the importance of speaking, reading, and writing in the learning of all students. This involves the selection of materials that will facilitate language and literacy opportunities; reflection and thought regarding classroom design; and intentional instruction and facilitation by teachers and staff.
