SEDL's Work. The archived materials contained on this site include resources and publications written and produced by SEDL, now a part of the American Institutes for Research.

AIR | SEDL - Southwest Educational Development Laboratory

The General Educational Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. GED does not currently stand for anything and instead "it is more similar to a brand name." (personal communication with Pearson's GED Testing Program Customer Service).

General Educational Development - Wikipedia

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, but learners may also educate themselves. Education can take place in formal or informal settings and any ...
