Differentiating Instruction With Menus Social Studies

â€¢ The content is differentiated by increased complexity in the right-hand column. â€¢ The process is differentiated by student interest (choice) and learning style. 7. Practical Hints for Implementation: â€¢ Students will need clear directions and ready access to materials for all nine squares.

Choice Menus - University of Virginia | Home

the menu and the expectations. Due Date is included. There is a method for students to express interest (i.e. as the teacher discusses each product, there is a check box, or place for students to note their interest in that product.) If the menu is point based with many projects, there is a place for teachers to record the points earned.
