Book Description: If trust is sometimes the rational response in interpersonal relations, then it can also be rational to distrust. Indeed, distrust is the preferred response when it protects against harm-as when parents do not entrust the safety of their child to a disreputable caretaker.

### **Distrust on JSTOR**

Editor Russell Hardin observes that the United States and the former Soviet Union secured a kind of institutionalized distrustâ€”through the development of the nuclear deterrent systemâ€”that stabilized the relationship between the two countries for four decades.

### **Distrust - Russell Hardin - Google Books**

Narratives exposed the communication-distrust link proposed by scholars, reinforcing the behavioral foundation of distrust as a psychological construct. Results challenge the position that distrust is the opposite of trust. Peaks of language intensity occurred for various single dimensions and combinations of distrust dimensions.

### **Distrust in Leaders - SAGE Publications**

Distrust of the health care system is relatively high in the United States, with between 20% and 80% of respondents reporting distrust for each item on the Health Care System Distrust scale and a median scale score of 31 (potential range from 10 to 50).

### **Distrust of the Health Care System and Self-Reported**

Editor Russell Hardin observes that the United States and the former Soviet Union secured a kind of institutionalized distrustâ€”through the development of the nuclear deterrent systemâ€”that stabilized the relationship between the two countries for four decades.
