An example of Nordic Magic Healing

Divination (from Latin *divinare* "to foresee, to be inspired by a god", related to *divinus*, *divine*) is the attempt to gain insight into a question or situation by way of an occultic, standardized process or ritual.

Divination - Wikipedia

Fortune telling is the practice of predicting information about a person's life. The scope of fortune telling is in principle identical with the practice of divination. The difference is that divination is the term used for predictions considered part of a religious ritual, invoking deities or spirits, while the term fortune telling implies a less serious or formal setting, even one of popular ...
