ini Doodle Boo Please join us and doodle! Our dream is to share what we have learned about doodling and coloring in order to unlock the creativity inside all people, so we may become the Creators of Change we want to see in the world. So many adults complain that they "draw like a five-year old," because that's likely when they stopped drawing.

Basis of Doodle Interpretation Freud felt that doodles and dreams acted as an escape valve for the mind to express thoughts and impulses in an acceptable manner. He felt that doodles are a disguised or symbolic expression of repressed sexual trauma, hidden sexual desires or feeling of hostility, which we may find to be disturbing and shameful ...

How to groom your Doodle! The most common mistake made when grooming a Doodle is to brush over the top of the coat but not get in underneath and close to the skin. It can be quite a shock to discover that

although your dog looks beautiful 'on top' underneath there is a whole nest of matting you never knew existed.

A Google Doodle is a special, temporary alteration of the logo on Google's homepages that commemorates holidays, events, achievements, and people. The first Google Doodle honored the Burning Man festival in 1998, and was designed by Larry Page and Sergey Brin to notify users of their absence in case the servers crashed.
