Mental Health and Addictions | Dryden Regional Health Centre

(Dryden, Johnson, & Howard, 1998), one of the dominant themes to emerge was the importance of teacher student relationships in promoting childhood resilience. Children, in particular, spoke of "good" teachers who took an interest in them,

Teacher student relationships which promote resilience at

Abstract In this reply to Dryden (1990), the Chairman of the Executive Committee of the Society for Student Counselling in Southern Africa (SSCSA) discusses the Committee's awareness of local socio-political influences on student counselling, as well as ongoing initiatives to meet these influences.
