Power to the Profession. NEA working to Unify the Early Childhood Profession. Power to the Profession(P2P) is a two-year initiative to define the professional field of practice that unifies early childhood educators across all states and settings to enrich the lives of children and families. Power to the Profession gives early educators an opportunity to contribute to a comprehensive set of the ...

NEA - Early Childhood Education

Early childhood education (ECE; also nursery education) is a branch of education theory which relates to the teaching of little children (formally and informally) from birth up to the age of eight which is traditionally about 3rd grade. It emerged as a field of study during the Enlightenment, particularly in European countries with high literacy rates.

Early childhood education - Wikipedia

Early Childhood / Early Childhood Education This systematic review of research on early childhood programs seeks to identify effective approaches capable of improving literacy and language outcomes for preschoolers.
