American literature is literature written or produced in the United States and its preceding colonies (for specific discussions of poetry and theater, see Poetry of the United States and Theater in the United States). Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature.

The inaccuracies about the founding that West must correct are legion. In a previous volume, Vindicating the Founders, he took on and demolished the dominant left-wing calumnies that the founding, and hence the country, are inherently and irredeemably racist, sexist, oligarchic, and much else. Not that the calumniators did the right thing: shut up and slink off, never to be heard from again.

SANSKRIT-The Language of Ancient India.. Sanskrit (meaning "cultured or refined"), the classical language of Hinduism, is the oldest and the most systematic language in the world. The vastness and the versatility, and power of expression can be appreciated by the fact that this language has 65 words to describe various forms of earth, 67 words for water, and over 250 words to describe rainfall.

My interest in Medieval science was substantially sparked by one book. Way back in 1991, when I was an impoverished and often starving post-graduate student at the University of Tasmania, I found a copy of Robert T. Gunther's *Astrolabes of the World* - 598 folio pages of meticulously catalogued Islam
