

economic developments in india pdf

The economic development in India followed socialist-inspired politicians for most of its independent history, including state-ownership of many sectors; India's per capita income increased at only around 1% annualised rate in the three decades after its independence. Since the mid-1980s, India has slowly opened up its markets through economic liberalisation.

" Writing the Economic Survey with the staff of the Economic Division and Team CEA has been one of the most rewarding and thrilling experiences as Chief Economic Adviser, and indeed of my professional life. The Indian economy is infinitely susceptible to analysis: even scores of more Surveys will only touch the tip of its richness and complexity.
