Facts and Figures: Economic Empowerment Benefits of economic empowerment. When more women work, economies grow. An increase in female labour force participation or a reduction in the gap between women's and men's labour force participation results in faster economic growth. Evidence from a range of countries shows that increasing the share of household income controlled by women ...

Youth empowerment is a process where children and young people are encouraged to take charge of their lives. They do this by addressing their situation and then take action in order to improve their access to resources and transform their consciousness through their beliefs, values, and attitudes. Youth empowerment aims to improve quality of life.

### **Youth empowerment - Wikipedia**

The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority. It is the process of becoming stronger and more confident, especially in controlling one's life and claiming one's rights.
