Women all over the world have become the subject of debate, particularly in the developing countries in Africa, Latin America and some parts of Asia and Middle East. Most women in these parts of the world are victims of male dominance, domestic slavery, sexual oppression and educational deprivation, all of which are generated from religious beliefs or social rigidity against women.

Emancipation of Women Essay Example for Free

Emancipation of Women. What Is Emancipation? Emancipation means the freedom of somebody especially from legal, political or social restrictions. So the emancipation of women means to set the women free from any kind of bondage. Women in Asia and Africa are politically exploited, socially oppressed and neglected.
