What is the difference between an urgent move and an emergency move? 5. In what situation would you use a non-urgent move? What are the two different kinds of spine boards? When would you use each of them? 6.

## **National Registry EMT Exam Study Guide - Cabrillo College**

In 1971, the AAOS published the first emergency medical technician (EMT) textbook, Emergency Care and Transportation of the Sick and Injured, and laid the foundation for emergency medical services (EMS) training. Today, the Eleventh Edition is also known as the "Orange Book" for its trademark orange cover, which transforms how EMS education is delivered throughout the world to train EMS providers.
