Over the past several decades, the study of international relations has taken a keen interest in developments in the Muslim world and their implications for Islam-West relations.

(PDF) Emerging trends in Islamist political thought

The trends that will change the world of infrastructure in 2018. Viewed against the disruption, confusion and uncertainty of the past year, it would be easy to become despondent about the future of infrastructure around the world. Yet we see great opportunity and promise emerging. There is much to be excited about.
