Encounters With Witchcraft - normanmillerarchive.com

Confronted with witchcraft in East Africa, British colonial officials struggled to come to terms with its perceived immorality. If there was one thing about which the British were in agreement with their African subjects, it was that witchcraft was antisocial and harmful to the society. However, they disagreed over what to be done about the menace.

Encounters with Witchcraft: field notes from Africa by

Regarding advantages, Encounters with Witchcraft would form an excellent introduction to the extensive field of witchcraft studies—and for those keen to learn more about the subject, Miller provides a helpful list of suggested readings at the end of the book, which includes key texts in the field (216–17). Beyond an introduction to the ...
