

encyclopedia of applied ethics pdf

Some would argue that a central task of applied ethics, and one that is prior to the application of any theory, is the very identification of the moral dimensions of a situation. The Encyclopedia contains entries on applied ethics itself and on challenges to it.

Encyclopedia of Applied Ethics, Second Edition - PDF Book

A broad and inclusive table of contents ensures detailed investigation of historical and theoretical material as well as in-depth analysis of current issues. Several disciplines may be involved in applied ethics: one branch of applied ethics, for example, bioethics, is commonly explicated in terms of ethical, legal, social, and philosophical issues.
