Economic Development and Entrepreneurship in Transition

Entrepreneurship is one of the economic variables that attract the attention of governments and researchers both in the developed and developing countries in the last two decades. Several efforts and initiatives are being made by

Entrepreneurship and Economic Development in Nigeria

Entrepreneurship is the engine of economic progress, but mainstream economic models of economic growth tend to leave out the entrepreneurial elements of the economy. This new book from Randall Holcombe begins by identifying areas in which evolutionary and Austrian approaches differ from the academic mainstream literature on economic growth ...
