

esotericism and the academy pdf

Western esotericism, also called esotericism, esoterism, and sometimes the Western mystery tradition, is a term under which scholars have categorised a wide range of loosely related ideas and movements which have developed within Western society. These ideas and currents are united by the fact that they are largely distinct both from orthodox Judeo-Christian religion and from Enlightenment ...

The study of magic in the Greco-Roman world is a branch of the disciplines of classics, ancient history and religious studies. In classical antiquity, including the Hellenistic world of ancient Greece and ancient Rome, historians and archaeologists view the public and private rituals associated with religion as part of everyday life. Examples of this phenomenon are found in the various state ...
