

european union enlargement background pdf

The 2004 enlargement of the European Union was the largest single expansion of the European Union (EU), in terms of territory, number of states, and population to date; however, it was not the largest in terms of gross domestic product. It occurred on 1 May 2004. The simultaneous accessions concerned the following countries (sometimes referred to as the "A10" countries): Cyprus, the Czech ...

2004 enlargement of the European Union - Wikipedia

The European Union (EU) is a political and economic union of 28 member states that are located primarily in Europe. It has an area of 4,475,757 km² (1,728,099 sq mi) and an estimated population of about 513 million. The EU has developed an internal single market through a standardised system of laws that apply in all member states in those matters, and only those matters, where members have ...

What the EU does - its aims and challenges.

About the EU - EUROPA | European Union

EU citizens have a right to live in any EU country and can cross borders with ease. The Commission wants to build a European Union area of justice, which will make it easier for citizens to exercise their rights and allow businesses to make full use of the EU single market.
