Every Day. Every day means "each day." The easiest way to remember this is to think about the space separating the two words. Because of that space, "every" is simply an adjective modifying the word "day." If you paired every with any other word, it would mean each "every day means "each day", just like "every word" means "each word." There's nothing more to it.

Every day a different body. Every day a different life. Every day in love with the same girl. In his New York Times bestselling novel, David Levithan introduces readers to what Entertainment Weekly calls a “wise, wildly unique” love story about A, a teen who wakes up every morning in a different body, living a different life.
