The main objective of this research is to find out how the teacher candidates who graduated from the Faculty of Theology and study in pedagogical formation program perceive the theory of evolution.

(PDF) Evolution Perception with Metaphors - ResearchGate

The Tree of Life metaphor is more than an accounting scheme; it is a symbol of a major part of the evolutionary process. Living systems are capable of acting in their own behalf, but more importantly, they regularly take the initiative, using what they have inherited.

The Major Metaphors of Evolution: Visualizing the Extended

In his 2003 HBR article Tihamer von Ghyczy discussed the use of metaphors in strategic planning. (Full disclosure in 2003 I took his course at Darden.) Specifically he is most interested in the use of evolutionary metaphors. One overarching point he makes is that you shouldn’t seek to find metaphors that are correct. Metaphors are never precisely correct and trying to shoehorn the world into ...

Evolutionary Metaphors - Marketing Thought

But evolution is such a complex, intertwining and beautiful process that the more accurate the metaphors

becomes, the more you are just describing nature. No metaphor is necessary when it's right under your nose.

What is the best metaphor for the process of evolution
