### **SAGE Books - Experiencing Social Work: Learning from**

Experiencing Social Work provides a refreshing change in the expanse of social work education texts. Its focus on learning from people who had received a good service from social workers drew out many of the foundation blocks of practice that can so easily be minimised in favour of 'deeper academic theories'.

### **Experiencing Social Work: Learning from Service Users**

Abstract: Field learning plays a leading role in social work education, and as such, social work educators and field instructors need to know how their students learn and develop during the field education ex-

### **Field Learning in Social Work Education: Implications for**

Experiencing Social Work comprises twelve chapters, seven of these containing direct accounts of individual service users and carers, and two drawing on the accounts of groups of service users and carers, including families and self-advocates. The last two chapters identify learning points drawn from key themes emerging from the accounts given ...
