

facets of indian poverty pdf

Feminization of poverty is a phenomenon referring to the widening gap between women and men caught in a sequence of economic deprivation and scarcity. This phenomenon is not only a consequence of lack of income, but is also the result of the deprivation of capabilities and gender biases present in both societies and governments. It covers the poverty of choices and opportunities such as the ...

Ancient India. Tea cultivation in India has somewhat ambiguous origins. Though the extent of the popularity of tea in Ancient India is unknown, it is known that the tea plant was a wild plant in India that was indeed brewed by local inhabitants of different regions. [citation needed] But there is no substantial documentation of the history of tea drinking in the Indian subcontinent for the pre ...
