From the beginning, prostitutes and radical feminists have appeared to be at odds with each other. Laurie Shrage makes a case for the radical feminist perspective when she says "female prostitution oppresses women, not because some women who participate in it "suffer in the eyes of society"™ but because its organized practice testifies to and perpetuates socially hegemonic beliefs which ...

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
