

feminist realism at the pdf

Realism or political realism has been the dominant theory of international relations since the conception of the discipline. The theory claims to rely upon an ancient tradition of thought which includes writers such as Thucydides, Machiavelli, and Hobbes. Early realism can be characterized as a reaction against interwar idealist thinking.

International relations theory - Wikipedia

The feminist method is a means of conducting of scientific investigations and generating theory from an explicitly feminist standpoint. Feminist methodologies are varied, but tend to have a few common aims or characteristics, including seeking to overcome biases in research, bringing about social change, displaying human diversity, and acknowledging the position of the researcher.
