100 most common words. A list of 100 words that occur most frequently in written English is given below, based on an analysis of the Oxford English Corpus (a collection of texts in the English language, comprising over 2 billion running words). A part of speech is provided for most of the words, but part of speech categories vary between analyses, and not all possibilities are listed.

First-wave feminism was a period of feminist activity and thought that occurred during the 19th and early 20th century throughout the Western world. It focused on legal issues, primarily on gaining the right to vote.. The term first-wave was coined in March 1968 by Martha Lear writing in The New York Times Magazine, who at the same time also used the term "second-wave feminism".
