NAND Flash Applications Design Guide - EE Times

Application Design Application Design Application Design Whether youâ€™re creating web-based applications in Flash, Ajax, Silverlight or other technique, you should know how to make them usable.

Website Tools and Applications with Flash

FLASH only allows the application to be submitted if the applicant enters the correct identification number and has passed the examination, not just scheduled the examination. Consequently, for an application to be accepted, the applicant's identification number entered must be identical to the identification number that is stated on the passed examination letter.
