I created this planet flip book that is a fun way to introduce the order of the planets from the sun. This activity is simple and effective, all while pulling in some fine motor skills practice. To begin this activity, I introduced the sun and each planet, showing pictures and sharing interesting facts about each one.

### **Planet Flip Book | Inspired Elementary**

Flip the Flaps: Planet Earth, is a beautifully and brightly illustrated book that highlights different features of Earth including location of Earth, air, life on Earth, the oceans, inside Earth, volcanoes, and earthquakes. The information on each feature is basic and simply presented, making it easy for children to understand.
