Forms Of Justice Critical Perspectives On David Miller

Explanations > Trust > Four Types of Justice. Distributive | Procedural | Restorative | Retributive | So what? There are four types of justice that people can seek when they have been wronged. Distributive justice. Distributive justice, also known as economic justice, is about fairness in what people receive, from goods to attention. Its roots are in social order and it is at the roots of socialism, where equality is a fundamental principle.

Four Types of Justice - Changing minds and persuasion

As the form of autonomy that should provide the telos of social justice is that of "reciprocal recognition," the moral language used is that of recognition. The central conceptual and normative element of Pereira's critical theory is taken from Honneth's theory of recognition. An initial comment should be made on this point.
