### **Foundations Of Economic Development - tldr.io**

The main goal of economic development is improving the economic well being of a community through efforts that entail job creation, job retention, tax base enhancements and quality of life. As there is no single definition for economic development, there is no single strategy, policy, or program for achieving successful economic development.

### **Economic Development Reference Guide**

players in rural economic development. But community foundations possess other promising features: A community foundation is, by definition, place-specific. Its endowment building and grantmaking are intended to benefit a specific community or region—and, as noted, many of those communities and regions encompass rural areas.
