

freedom rights new perspectives pdf

Women's rights are the rights and entitlements claimed for women and girls worldwide, and formed the basis for the women's rights movement in the nineteenth century and feminist movement during the 20th century. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others they are ignored and suppressed.

Women's rights - Wikipedia

Freedom of information is an extension of freedom of speech, a fundamental human right recognized in international law, which is today understood more generally as freedom of expression in any medium, be it orally, in writing, print, through the Internet or through art forms. [citation needed] This means that the protection of freedom of speech as a right includes not only the content, but ...
