The Swiss publishing business Frontiers was placed by the US librarian Jeffrey Beall on his well-known and hotly disputed list as â€œpotential, possible or probable predatory publisherâ€•. Frontiers however was not prepared to take this lying down. The publisherâ€™s Executive Editor Frederick Fenter first tried it nicely.

The Missing Link: Lean Leadership

A frontier is the political and geographical area near or beyond a boundary. The term came from French in the 15th century, with the meaning "borderland"â€”the region of a country that fronts on another country (see also marches).. A frontier can also be referred to as a "front".

Quality preschool programs that develop the whole child through age-appropriate socioemotional and cognitive skill-building hold promise for significantly improving child outcomes. However, preschool programs tend to either be teacher-led and didactic, or else to lack academic content. One preschool model that involves both child-directed, freely chosen activity and academic content is Montessori.
