Gender Justice Citizenship Development - scottishtouch.org.uk

It argues that equal citizenship, whilst key to the struggle for gender justice, does not guarantee it. Often, rights are seen as accessed through personal relations rather than a contract between citizen and state. Efforts to promote gender justice must bridge the public-private divide in accountability systems.

Gender, Justice, Citizenship and Development | Zubaan

Struggles for gender justice by women's movements have sought to give legal recognition to gender equality at both national and international levels. However, such society-wide goals may have little resonance in the lives of individual men and women in contexts where a culture of individual rights is weak or missing and the

stress is on the moral economy of kinship and community.

Empowerment, Citizenship and Gender Justice: A
