A mirror is an object that reflects light in such a way that, for incident light in some range of wavelengths, the reflected light preserves many or most of the detailed physical characteristics of the original light, called specular reflection. This is different from other light-reflecting objects that do not preserve much of the original wave signal other than color and diffuse reflected ...

METRO-GOLDWYN-MAYER - Daily Script

The Giants and the Joneses . Egmont, isbn 978-1405207607. This is a book for 7-11-year olds and I hope will reach those who enjoyed The Gruffalo but now want something more challenging.. Inspired by my son Alastair, who as a child was an avid collector of anything and everything, it tells the story of three human children (or "œiggly plops" in giant language) and a girl giant, Jumbeelia, who ...
