

global dictionary of financial pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that's ...

Globalization - Wikipedia

The Great Recession was a period of general economic decline observed in world markets during the late 2000s and early 2010s. The scale and timing of the recession varied from country to country. The International Monetary Fund concluded that the overall impact was the most severe since the Great Depression in the 1930s. The Great Recession stemmed from collapse of the United States real ...

Oxford University Press (OUP) - Academic Publishing - Homepage

Years of building pressure in many parts of the world, at least since the global financial crisis, 1 crystallized into dramatic political results during 2016 as public disaffection with the status quo gained traction. In the West, consensus expectations were defied by the United Kingdom's decision to leave the European Union, by President-elect Donald Trump's victory in the United States ...
