Global Justice and the Distribution of Natural Resources Tim Hayward University of Edinburgh What should a political theorist say about the justice of the global distribution of natural resources? One issue is whether principles of distributive justice should be applied globally, and this has been debated between nationalists and cosmopolitans.

Global Justice and the Distribution of Natural Resources

Overview: DOJ's Global Justice Information Sharing Initiative (Global) is designed to engage the full range of criminal justice policymakers and practitioners in the development of innovative strategies to improve the justice information sharing (JIS) and technology capabilities of state, local and tribal agencies.

Global Justice Information Sharing Initiative FY 2018

Global Justice: Theory Practice Rhetoric (TPR) is a peer-reviewed, open-access e-journal which publishes original research in international political theory, with special emphasis on global justice. We are particularly interested in bridging the gap between political theory, empirical research, and the study of political practices and communication.
