GOSSIE is a simple, unassuming tale of a gosling's everyday life, but it packs big messages about taking the high road, dealing with frustrations, and being a good friend. The tales are not particularly suspenseful -- in this case, Gossie simply enjoys her red boots every day until one day she can't find them.

I love the Gossie series of books by Olivier Dunrea. This book is a simple, sweet tale of BFFs. I love that although Gossie seems to be the friend in charge to begin with that really both Gossie and Gertie have their own likes and dislikes and both love being with each other.
