COMPASS Now is a review of community needs in the Great Rivers Region. The COMPASS Now Report provides valuable information and presents the results of data collected through a community survey, focus groups, an extensive review of socio-economic indicators, and an inventory of community resources.

Community Needs Assessment - Great Rivers United Way

Easier - A river is a natural stream of fresh water larger than a brook or creek. A river flows toward another river, an ocean, a lake, or other large body of water. Harder - A river's source may be rainfall, a melting snowfield or a glacier, a spring, or the overflow of a lake.
