2 Important Manuscript Submission Requirements and Notices When a manuscript is submitted to JACS, Editors must make an initial editorial judgment regarding its suitability for the journal's audience.

## **Notice to Authors of JACS Manuscripts**

The traditional abbreviations are MS for manuscript and MSS for manuscripts, while the forms MS., ms or ms. for singular, and MSS., mss or mss. for plural (with or without the full stop, all uppercase or all lowercase) are also accepted. The second s is not simply the plural; by an old convention, it doubles the last letter of the abbreviation to express the plural, just as pp. means "pages".

The Voynich manuscript is an illustrated codex hand-written in an unknown writing system. The vellum on which it is written has been carbon-dated to the early 15th century (1404–1438), and it may have been composed in Northern Italy during the Italian Renaissance. The manuscript is named after Wilfrid Voynich, a Polish-Samogitian book dealer who purchased it in 1912.
