Chapter 1 an IntroduCtIon to ChemIstry 3 I would watch the buds swell in spring, the mica glint in the granite, my own hands, and I would say to myself: I will understand this, too.

**Chapter a I to ChemIstry - An Introduction to Chemistry**

A handbook is a type of reference work, or other collection of instructions, that is intended to provide ready reference. The term originally applied to a small or portable book containing information useful for its owner, but the Oxford English Dictionary defines the current sense as "any book...giving information such as facts on a particular subject, guidance in some art or occupation ...
