Refugee And Immigrant Health A Handbook For Health

The Handbook of Immigrant Health has the scope and depth to serve well as either the only book about the topic on one's shelf or as the cornerstone of a large and specialized collection. The book contains a superb set of review articles on the behavioral, social, and cultural issues most pertinent to immigrant health.

Handbook of Immigrant Health: 9780306459597: Medicine

Here is the first comprehensive cross-disciplinary work to examine the current health situation of our immigrants, successfully integrating the vast literature of diverse fields -- epidemiology, health services research, anthropology, law, medicine, social work, health promotion, and bioethics -- to explore the richness and diversity of the immigrant population from a culturally-sensitive ...
