Page 1 PREFACE This handbook is intended principally for teachers and course designers who are, or intend to become, involved in preparing candidates for the Cambridge Preliminary English

### **Contents**

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...
