Quality in Higher Education: Vol 24, No 2 - tandfonline.com

Research in Higher Education Journal Volume 24 â€™ August, 2014 Research, higher education, page 2 INTRODUCTION Higher education plays an essential role in society by creating new knowledge, transmitting it to students and fostering innovation. Quality teaching in higher education matters for student learning outcomes.

Research, higher education and the quality of teaching

The cost of a higher education is weighing ever more heavily on the minds of Americans. Selective flagship universities appear to be getting the message.

The Chronicle of Higher Education

Recognized as the leading international journal on higher education studies, this publication examines educational developments throughout the world in universities, polytechnics, colleges, and vocational and education institutions. It reports on developments in both public and private higher education sectors.
