Sports History (BSSH) emerged in 1981 out of a History of Physical Education Study Group. In its inaugural conference in 1982, the current title was formally adopted. Down in the Antipodes, the Australian Society for Sports History (ASSH) was founded at the fourth biennial sporting traditions conferences.

The history of sport in the international scenery: an overview

Sports history can also be dated back to the 19th century; as an improved standard of living in this century has enabled greater participation in sport for most social groups. However, professional sports people had a long battle to be given fair rewards.

A Brief Description On The History Of Sports

In short, both American history and sport sociology (to say nothing about the Modern Language Association) are contentious. So why isn't sport history? Most people I know come away from the annual North American Society for Sport History (NASSH) conference with warm, supportive experiences and memories.

Sport History: Into the 21st Century - LA84 Foundation

Study of the history of sport can teach lessons about social changes and about the nature of sport itself, as sport seems involved in the development of basic human skills [citation needed] - compare play. As one delves further back in history, dwindling evidence makes theories of the origins and purposes of sport more and more difficult to ...
