Beyond the PDF is organized by FORCE11, a group of stakeholders that arose organically from the first Beyond the PDF workshop, held at the University of California, San Diego, in 2011, and a follow on workshop held at Dagstuhl that same year. We will actively engage the membership of FORCE11 to shape and evolve this and future workshops, as the conference itself provides a platform for those interested in creating new modes of conference organization and participation.

A platform, when utilized, moves us beyond a static and disparate data and knowledge representation to a rich integrated content which grows and changes the more we learn. A system (content plus platform) from which a scholar can interact and once evaluated shows improved understanding and interest.
